

HOLY GROUP OF SCHOOLS

ANNUAL REPORT 2022-23

Namaste and Good evening to everyone.

Respected Chairman, Dr. Rakesh Sharma, Director, Smt. Pushpa Sharma, President, Rahul Sharma, honourable Chief Guests, guests of honour, teachers, dear students, parents and all our well-wishers,

I take great pleasure in welcoming all of you on this special occasion of our 12th Annual day celebration. I feel really honoured to present the Annual report of Holy Group of Schools for the academic year 2022-2023. First and foremost, I would like to thank God Almighty for all the blessings showered upon us.

It has been a truly rewarding year for the Holy Group of schools indeed.

Holy Group of Schools was founded by Late. Shri Janardan Sharma Ji & Late. Smt. Premvati Sharma Ji, who were educators, thinkers and social entrepreneurs and they firmly believed “ज्ञानं परमं ध्येयम्” or there is no greater religion than the pursuit of knowledge. They believed in “Work is worship” which is our school motto.

This evening, I am equally pleased to take stalk of our achievements and glories on this occasion in the form of the Annual Report of the School.

Our school is an example of what leadership with vision, commitment and discipline can achieve. In our institution, teaching is not about knowledge transfer, but fostering excellence. Helping children discover, polish and bring forth to the world their treasure, is the sole aim of Education.

Academics

We focus on the holistic development of children with due attention to academics which is the core focus of our school. All the possible efforts have been taken and, we will continue to take to ensure academic excellence in our school. We believe that excellence in academics is the hall mark of our school as a good institution. The Class 10 and 12 Board Exams - 100% results & excellent subject averages unanimously showcase our students' exemplary performance. We adapt experiential learning and technology-oriented approach.

Co-Curricular Activities

The session started with the Namami Gange Project in which our students participated. Three of our students secured positions in SAVE GANGA Poster making competition. We have conducted around 60 CCA events in various categories in KG section alone and around 100 events in various categories in Primary and Middle School. This includes CCA competitions, Non-competitive items and various events and celebrations. It proved to be a moment of pride when our students came forward and secured positions in more than 13 categories of zonal level competitions. Not only this, our champions represented our school at district, state and national level as well in literary and sports category.

Various educational trips to colleges, exhibitions, and workshops were attended by students wherein their participation was witnessed in large numbers. Recently, our students participated in Young Talent Contest

organized by YMCA College, Delhi and bagged 3rd position in Western dance competition and Skit competition.

Physical- Fitness

In Health & Physical Education, the focus of the school is on the well-being of students. As they develop resilience and a sense of personal & social responsibility, they are increasingly able to take responsibility for themselves and contribute to the well-being of those around them.

Aerobics, Yoga, Mass P.T, throw ball, Cricket, Basket Ball, and Badminton are the opportunities provided to our students which they practice following a structured schedule.

Quality assurance in teaching

Speaking of Teaching, We have a very robust system of teacher's lesson observation which includes observation by the principal, group observation and peer observation. Teachers team up with the special educator and the counsellor to elevate the performance of the students to greater heights. A series of Personality Development sessions on various topics were organized for all the teachers. These were internal and external PD sessions. We have planned another series of Personality Development sessions for teachers for the next academic year as well.

HGS in Media

School social media accounts have been regularly updated with various CCA programmes and other events, posters of the winners of various

CCA competitions and other necessary information. We request you to encourage our students and their activities on these social media platforms.

Change is inevitable and progress is impossible without change. . The expansion of the amenities of our campus grows along with our kids.

Within a few days, a new built building will be seen in our campus. A development project is under progress to provide Canteen facility, Football ground and Cricket pitch. The progress continues with a newly Creative Lab for Pre-primary kids and Robotics lab. HGS is not only the best school in academics but also in hi-tech infrastructure.

I feel honored to express my sense of gratitude to the Chairman, the Board of trustees and the members of the management for extending their support and guiding us in our endeavours in our journey towards excellence.

Dear Parents I greatly appreciate your kind cooperation in making our efforts a great success.

I am happy to say it all again that I am blessed to be the Principal of this school contributing to the development of HGS. My teachers, my subordinate staff and above all my students are my pride.

In the end, I would like to quote Robert Frost to express our way forward.

“The woods are Lovely, dark and deep

But we have promises to keep

And miles to go before we sleep

And miles to go before we sleep”.

Thank you!
